Chapter One

Starlingpaw was at the freshkill pile. She wanted to find a vole, since that's what she was in the mood for.

"Starlingpaw!" Starlingpaw's heart sank as she heard her mentor, Darkfeather's voice.

"Yes.....?" Starlingpaw groaned, rolling her eyes as she went to face Darkfeather.

"Don't give me that tone, young cat." Darkfeather snapped at her, making her flinch. "We have to go on patrol with Aldercloud, Minnowpaw, and Moonfire, anyway."

"Why?" Starlingpaw asked. "I'm hungry."

"Stop your complaining, young cat." Darkfeather hissed. "I don't know what's gotten into you today, but I won't tolerate it!"

Starlingpaw hung her head as she reluctantly followed her mentor. "Yes, Darkfeather."

Chapter Two

"No sign of the other clans or any foxes." Moonfire said as she swished her tail and sniffed the bushes.

"Yeah, you're right." Darkfeather told her. "It's kinda weird."

Moonfire nodded gravely. "Yeah."

"Starlingpaw, Minnowpaw, you two stay put." Aldercloud told the two apprentices. "Don't go anywhere."

After the three warriors left, Minnowpaw looked at Starlingpaw in delight.

Starlingpaw hesitated, scraping her paw on the dirt. "Well... uh... what if we get in trouble?"

Minnowpaw nudged Starlingpaw playfully. "Oh, come on! It'll be fun!"

Starlingpaw looked at her and nodded firmly. "Alright. Let's go."

Chapter Three

"Come on, Starlingpaw! You're so slow!" Minnowpaw snapped as they were climbing a tree a few minutes later.

"I don't see you going any faster." Starlingpaw retorted.

Minnowpaw made an impatient huffing noise but was quiet.

"Now, just shut up okay cause I—" Then with a yowl, Starlingpaw fell off the tree and got her leg stuck under a root. "Minnowpaw help!"

Minnowpaw stared at Starlingpaw, his eyes wide in shock. "Starlingpaw! You'll get us in so much trouble!"

"Well go get somecat anyway, idiot." Starlingpaw snapped.

Minnowpaw nodded and sped off.

"Minnowpaw, is this where she is?" Starlingpaw reconized the voice of her mentor Darkfeather.

"Yeah. I think so." Minnowpaw told her.

"Darkfeather!" Starlingpaw exclaimed as she saw Darkfeather and Minnowpaw creep up from around the corner.

"I hope you apprentices know how much trouble you'll be in after I get Starlingpaw out."
Starlingpaw gulped. *Uh oh.* She thought.

"This is going to hurt, so be ready for it." Darkfeather grumbled. She then took Starlingpaw's stuck paw and forced it out as hard as she could.

The pain Starlingpaw felt was unbearable. She shrieked and yowled until the pain subsided.

"Now, back to camp, you two. Elder's ticks for a moon." Darkfeather told them.

"Aw, man." Minnowpaw grumbled as they walked out of camp. "Elder's ticks for a moon? This sucks..."

"You got us into it." Starlingpaw told him curtly.

"True, true." Minnowpaw grumbled as the three cats made their way back to camp.
